

B&K Precision

Makes Child's Play Out of Bench Testing

New, attractive and compact,
B&K Precision's family of
bench instruments are ideal
for use in engineering,
industrial service labs,
and school applications . . .

No Kidding.

B&K Precision's line of Bench Test Equipment has a new modern look with all of the same great features such as large, bright, easy-to-read displays and simple easy-to-use controls. The new power supplies provide the versatility and reliability required for a broad spectrum of laboratory and service applications.

B&K Precision offers an extensive line of high performance signal generators

including function, sweep/function, RF, audio, and arbitrary waveform generators. And the versatile Bench Digital Multimeters (DMM) offer a variety of important features at attractive prices.

For more information on how you can change bench testing from a chore into child's play, visit our Web Site at bkprecision.com or call us toll-free at **(800) 462-9832** for a new full line catalog.
